MEMORANDUM FOR: Inspector General

25X1A

ATTENTION : [REDACTED]

SUBJECT : Thomas C. Huston

1. The Office of Security has reviewed their 1969 and 1970 records to attempt to establish the visiting dates of Thomas C. Huston of the White House Staff. There are two types of these records, the Official Pass or "pink slips" and the Visitors' Log maintained by the Director's Protective Staff which includes those persons entering by the DCI elevator. The "pink slips" for 1969 revealed no visits by Thomas C. Huston and the log for that year has been destroyed; therefore, the Office of Security has no record of his visit in 1969. A check by this Office with [REDACTED] CI Staff, revealed that Mr. Huston visited General Cushman on 19 June 1969 and [REDACTED] has the information regarding that visit.

2. The Visitors' Log for 1970 revealed that Thomas C. Huston was a member of the Inter-Agency Committee on Intelligence and as such visited the USIB Conference Room on 12 June and 23 June 1970. A copy of the Visitor List is attached.

3. A review of the "pink slips" revealed that Mr. Thomas C. Huston visited Dr. John R. Tietjen on 11 December 1970 from 8:50 a.m. to 11:09 a.m. (copy attached). There is no further information pertaining to Mr. Huston's visits in the Office of Security.
